SOURCE Ostatnie Wiadomosci, No 11, 1950.MAIL CARRIERS TO DISTRIBUTE PROPAGANDA

Krakow -- Warsaw officials announced recently that approximately 3,000 mail carriers, all trained in Marxism, will be added to the rural mail carrier staff, which now numbers 15,000 persons. In 1949, Warsaw assigned large sums of money to increase staffs and train approximately 15,000 postal employees to be employed exclusively in rural communities.

The main assignment of the mail carrier is to distribute literature sent in by the Communist Central Office; mail carrying is only a small part of his activity. In preparation for this assignment, the mail carriers were given a special course lasting several weeks. The main purpose of this new action is to eliminate influences of the church in the villages.
